Croc-O-Style!

The ubiquitous Croc has grown up. In this season's range you'll find pastels and coordinated duo-tones added to the original candy-coloured collection, plus a much wider style selection. 'Sassari' adds wedge heels; 'Ithaca' and 'Patra' are stylishly flat slip-ons. Comfort remains a priority in all the styles, however, and the brand's own resin Croslite material still features prominently.
