

CROCS

The truth is that these shoes often draw mixed reactions from people, but the fact also remains that their comfort is undeniable.

The latest Fall / Winter 07 collection looks set to pique people's interest again with the sleeker designs. For instance, the men's Venture

Leather has a lightweight features a patent-pending incorporates a leather upper

style and construction style that into a Croslite sole. The Venture Canvas on the other hand meshes a canvas upper into a traditional Croslite sole. For ladies, the Alice is a slim-fitting Mary Jane style that is not only comfortable but very trendy as well. It even comes in a suede version that ups the sophistication factor.

The men's Venture Leather retails for \$130 and the Venture Canvas retails for \$99.95; the ladies' Alice retails for \$54.95 while the Sueded Alice retails for \$64.95.
